The Pathfinders for Autism Annual Golf event is one of the most successful charity tournaments in Maryland. Please join us in our effort to raise funds to support Pathfinders for Autism's many free programs for families and enjoy a great day of Golf.

### Your Sponsorship WILL Make A difference

Autism affects 1 in 110 children in the U.S. today. In Maryland, over 8,827 children in the public schools are diagnosed with an Autism Spectrum Disorder (ASD) and there are thousands more adults in the state in need of services and support. Your sponsorship dollars for the Pathfinders for Autism 11th Annual Golf Tournament will make a difference in the lives of individuals with autism, their families, and caregivers by supporting:

- The Pathfinders for Autism Resource Center which offers caring, knowledgeable staff to assist individuals, families, and professionals in finding the information and services they need;
- Public awareness about autism and its effect on individuals, families, and society;
- Training on pertinent topics by regional experts for individuals, parents, and professionals;
- Developmental Screening training for Maryland Pediatricians to improve the early detection of developmental delays, including autism; and
- Free recreational opportunities that allow the entire family to enjoy a fun outing in an inclusive environment with modest accommodations without stigma.
