With Halloween upon us, please keep in mind, a lot of little people will be visiting your home. Be accepting.

- ~The child who is grabbing more than one piece of candy may have poor fine motor skills.
- ~The child who takes forever to pick out one piece of candy may have motor planning issues.
- ~The child who does not say trick or treat or thank you may be non-verbal.
- ~The child who looks disappointed when they see your bowl might have an allergy or is diabetic.
- ~The child who isn't wearing a costume at all might have a sensory issue (SPD) or autism.

Be nice.
Be patient.

Its everyone's Halloween
