

PLEASE WATCH OUT FOR OUR CHILD WITH AUTISM

We have a child with Autism. Our child's name is _____.

He/She is _____ years old.

We watch our child very carefully, but sometimes he/she unpredictably wanders away.

If you see our child and he/she is alone, please call _____. We are probably already looking for him/her.

Please also call 911 and tell them that you have found our child.

_____ does not speak very well. Our child does not appreciate danger. He/She might approach a dog or walk into the street without looking. He/She might walk in your house if a door is open.

_____ will become lost very easily and not know he/she is lost. If you ask our child a question he/she will likely not answer.

_____ sometimes has outbursts where he/she may scream or shake.

We have included a picture of our child.

Thank you,
