

Going to Mass

I am going to Mass with my Mom. There are some rules for when I go to mass that I need to always try and follow. One rule is that I always walk quietly in church.

Another rule is that I need to stand still and quiet in church I need to keep my hands by my side and I need to keep my mouth quiet.

When I pray in church I need to kneel down, I need to kneel down quietly.

When it is time for me to receive a blessing from the priest my Mom will let me know and I can walk quietly to the front of the church by the priest. I can wait with the other people until it is my turn to receive a blessing

When I have received my blessing I can walk quietly back to my seat and wait patiently until all the people have received their own blessing from the priest.

At the end of the service it is time to go home. I can be very proud of myself when I follow these rules for going to Mass with Mom. When I follow the rules Mom is happy and so are the rest of the people in Church.
